IDENTIFICATION NUMBER: C00837476

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2023 - 09/30/2023)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Personal use is any use of funds in a campaign account of a present or former candidate to fulfill a commitment, obligation or expense of any person that would exist irrespective of the candidate's campaign or duties as a federal office holder. Schedule B of your report discloses a disbursement that appears to possibly constitute personal use of campaign funds by the candidate (see attached), as defined at 11 CFR § 113.1(g).

Please review the purpose of disbursement in question and provide clarification regarding its nature. If the disbursement in question does indeed constitute personal use, the committee should seek reimbursement for the appropriate amount of the personal use violation from the beneficiary. In addition, you should amend your report showing this reimbursement on Schedule A supporting Line 15 of the Detailed Summary Page of the report covering the period in which the reimbursement is received. If the disbursement(s) in question was incompletely or incorrectly reported, you must also amend your original report with the clarifying information.

Finally, if it is determined that the disbursement(s) constitutes the personal use of campaign funds, the Commission may consider taking further legal action. However, prompt action to obtain reimbursement of the funds in question will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
